

Quantity Surveyor Manager (QSM) / Senior Quantity Surveyor (SQS)

Job Highlights

- Degree QS or Bldg Construction related
- 5 Days of Work, Medical Insurance
- Education Allowance, 3 Mins to MTR Station

Company Overview

Rick's Management Consultancy Ltd (RMC) is a Management Consultant firm providing a full range of services in the Construction industry inter alia, Project Management, QS Services, Commercial and Contractual Management, Legal Liaison & Dispute Resolutions, and Expert Witnessing in Hong Kong, Macau, and Mainland China.

Job Description

RMC is currently looking for QSM/SQS for our Hong Kong office. The successful candidate shall provide quality services to RMC's clients, both the Contractor and Subcontract side, and establish their professional career path.

Responsibilities

Perform full QS and contract administrative functions, including but not limited to:

- tender/contract review;
- handling bond and insurance matters;
- handling and following up on project financial performance;
- variations and final account negotiation;
- handling and following up on Notice of Delay (NoD) sensibly and logically;
- programme planning (both P6 or MS Project);
- claims management, both preparation and defence;
- case management on legal proceedings, either litigation or arbitration;
- expert witnessing (for Senior Grade), and
- Condition Report for insurance claims and assessment.

Represent the Company professionally and diligently, meeting, negotiating and corresponding with clients forming a solid working team in true partnership.

Requirements

- Degree in Quantity Surveying or Building Construction related disciplines;
- Member of HKIS/RICS/ICES/HKICM/CIOB (3 years post-qualified) is required for QSM;
- Minimum 10/5 years experience in performing services in building construction or civil engineering projects;
- Detail-minded, problem-solving skills, positive and proactive attitude with a strong sense of responsibility;
- Leading and coaching junior staff in delivering services on time and with a high degree of reliability;

- Good command of both written and spoken English and Chinese (including Putonghua);
- Candidates may apply for the position according to their experience in the Posts;
- Candidates may work overseas as may be required

RMC offers a challenging job opportunity with excellent career prospects, a competitive remuneration package and opportunities for suitable candidates.
